

Give the balloon test its words

Electrons • Curiosity day

Name _____

Date _____

Say one clear command, then draw or write it.

Too small to see

A few electrons move

A sock that stays

Draw a balloon near paper bits. Add an arrow to show what you notice.

rub • hold • near • balloon • paper • electron • charge • cling

First, ... tell how to set out the model beads

Then, ... tell how to hold the balloon near the paper

Look for, ... tell what to notice about a clinging sock

Does your command tell what to do, using a word such as Rub, Hold, or Notice?
