Put a wiggle into words

How Speakers Turn Waves Into Sound · Curiosity day

Name _____ Date _____

Give a clear command for watching rice move.

Rice gives a clue

A drum can wiggle too

Another path for a wiggle

Draw the bowl before and after a gentle tap. Show the rice.

speaker · cone · coil · magnet · air · wave · ear · rice · gently

Hum ... tell where to make a soft sound

Watch ... tell which surface to observe

Draw ... tell how to show the motion

Does your command begin with an action word, such as Hum, Watch, or Draw?
