

Give the test its words

Tungsten Carbide · Curiosity day

Name _____

Date _____

Write one command about the soap test. Say it first if you like.

A line in the soap

A bend and a break

Hard, tough, or both

Draw the scratch Big made in the soap. Add a label.

ask · watch · record · soap · scratch · craft stick · hard · tough

Ask Big to, ... name one gentle step with the soap and craft stick

Watch, ... tell what to notice while Big leads the test

Record, ... tell what mark to save in the notebook

Does your sentence tell what to do? Keep one clear command.
