Explain a switch clue in your words

Transistors · Curiosity day

Name _____ Date _____

Choose one picture. Say your idea first, then draw or write it.

Before transistors

A little turn

On and off

Draw a transistor with its three legs. Mark the middle leg and draw the path it opens.

transistor · signal · silicon · switch · because · maybe

Transistors replaced glass tubes because … what went wrong with tubes?

A transistor is like a tap because … what does a small turn do?

On and off can make patterns because … what do one and zero mean?

Does your sentence tell what you noticed and use because or maybe to explain?
