A small change, in words

Pinecones · Curiosity day

Name _____ Date _____

Give a clear command for watching a cone.

Room between scales

A cone closes

Two dishes, one clue

Draw an open cone beside a closed cone. Show the gaps between the scales.

pinecone · scale · dry · wet · open · close · seed · slowly

Watch … tell which cone to observe

Compare … tell which shapes to compare

Draw … tell which details to include

Does your command begin with an action word, such as Watch, Compare, or Draw?
